

C5200n/C5400 Series

OKI[®]
PRINTING SOLUTIONS

Color without compromise.

Brilliant color print quality and fast printing speed

You don't have to give up speed, print quality or customer service to get an affordable desktop color printer.

For businesses as protective of their image as they are of the bottom line, compact C5200n/C5400 Series Digital Color printers from OKI Printing Solutions are like two printers in one. They combine fast, high-quality color and mono (black & white) output with a low purchase price and low cost per page, so any of these printers can take the place of slower color inkjet and mono machines—and stretch your budget.

C5200n/C5400 Series printers turn out up to 16 full-color and 24 mono pages per minute, with the first color page printing in as little as 13 seconds, the first monochrome page in as little as 9 seconds.¹ And those are crisp, bright pages at 1200 x 600 dpi.

Increasing your productivity. C5200n/C5400 Series printers have a standard paper capacity of 400 sheets (300-sheet paper tray and a built-in 100-sheet multi-purpose tray for labels, envelopes, transparencies, and card stock up to 110 lb.). That can expand to 930 sheets with an optional 530-sheet 2nd tray. More sheets means fewer user interventions.

All models in the series can print on banner-size sheets up to 8.5" x 47.24" in length. And, with the optional duplexer⁵, you can produce 2-sided pages at close to rated engine speeds.

Connectivity choices. With high-speed USB connectivity (the C5400 Series also comes with IEEE-1284 bi-directional parallel), your workgroups can share the advantages and efficiencies of these productivity-enhancing machines.

An internal OkiLAN[®] 10/100 Base-T print server² enables industry-standard network protocols and enhances network management through access to printer menu settings.

Unmatched warranty support. We're so confident in the reliable performance of the C5200n/C5400 Series that we provide an industry-leading 5-year warranty on the four printheads, and a 1-year limited printer warranty with Overnight Exchange and optional coverage extensions.⁶

Of course, if you need technical assistance, you can speak to a live expert—24/7/365—by calling 800.OKI.DATA (800.654.3282).⁶

If you're looking for a flexible, highly talented printer that can do it all, don't compromise. The C5200n/C5400 Series from OKI Printing Solutions is the way to go.

Highlights:

- Cost-effective solution for color and monochrome letter/legal/A4 printing needs
- Single Pass Color™ Digital technology for printing up to 110 lb. card stock and banners up to 4 feet long
- Color output at up to 16 ppm; monochrome at up to 24 ppm¹
- Time to first page as fast as 13 seconds color, 9 seconds mono¹
- Space-saving footprint for desktop use
- Convenient operator panel enables printer and network settings changes
- Network connectivity standard²
- Paper capacity expandable to 930 sheets
- 2-piece consumables for ease of use and low Total Cost of Ownership for color and mono
- 1200 x 600 dpi resolution
- Job Accounting utility (C5400 Series only)³
- Optional Duplex (2-sided) printing^{4, 5}
- 1-Year limited warranty with Overnight Exchange on printer⁶; 5-Year limited warranty on LED printheads
- Live, toll-free technical support 24/7/365⁶

¹ Published performance results based on laboratory testing. Individual results may vary.

² Optional with C5400 model.

³ Requires optional Hard Disk Drive for optimum performance.

⁴ C5200n model requires minimum 64 MB RAM for optimum duplex performance.

⁵ Standard with C5400dn and C5400dtn models.

⁶ Available in the U.S. and Canada only.

Additional Specifications (All Models)

Performance

- **Print Speed:** Up to 16 ppm Color; up to 24 ppm Mono⁴
- **Time to First Page:** 13 sec. Color; 9 sec. Mono⁴
- **Print Resolution:** 1200 x 600 dpi
- **Duty Cycle:** Up to 50,000 pg./mo.

Productivity Solutions

- **Web-based Printer Management³:** PrintSuperVision and OkiLAN™ Embedded Web Server

Network Interface

- **Standard:** OkiLAN™ 10/100 Base-T Internal Ethernet Print Server
- **Optional:** OkiLAN Internal Ethernet Print Server with on-board PostScript 3 emulation (C5400 model only)

Paper Handling

- **Paper Input:** 300-sheet Legal/Letter/Universal Tray and 100-sheet Multi-Purpose Tray standard; 930 sheets max. with optional 530-sheet 2nd paper tray (std. on C5400tn/dtn)
- **Multi-Purpose Tray:** Standard 100-sheet; handles overhead transparencies, envelopes and mailing label stock, banners
- **Paper Weight:** Main tray 20 lb.–32 lb. bond; optional 2nd Tray 20 lb.–47 lb. bond; manual feed 20 lb. bond – 110 lb. index card stock; optional duplex 20 lb. – 28 lb. bond

Environmental

- **Size (WxDxH):** 16.7" x 22.1" x 13.6" (42.5 cm x 56.1 cm x 34.5 cm)
- **Weight:** Approx. 57.3 lb. (26.0 kg)

Supplies

- **Toner Cartridges:** Separate Black, Cyan, Magenta, Yellow
- **Toner Cartridge Life:** 5,000 pages at approx. 5% density⁵
- **Image Drums:** Separate Black, Cyan, Magenta and Yellow
- **Image Drum Life:** Approximately 15,000 pages⁶
- **Transfer Belt:** Average life 50,000 letter-size pages⁶
- **Fuser Kit:** Average life 45,000 letter-size pages

Warranty

- **Printer:** 1-Year limited with Overnight Exchange⁷
- **Digital LED Printhead:** 5-Year limited warranty

For more information on Digital Color printers and supplies from OKI Printing Solutions, including OKicare® Extended Service Programs: **1.800.OKI.DATA (800.654.3282)**.⁷

¹ C5200n model requires minimum 64 MB RAM for optimum duplex performance.

² Requires optional Hard Disk Drive for optimum performance.

³ Optional with C5400 model.

⁴ Published performance results based on laboratory testing. Individual results may vary.

⁵ Toner cartridges have an estimated life based on 5% coverage of letter-size pages. All models ship with "starter" cartridges (Cyan, Magenta, Yellow and Black), each with a 1,500-page estimated life.

⁶ Estimated life, based on 3 pages per job at 5% coverage.

⁷ Available in the U.S. and Canada only.
